

# Firearms Instructor LBV

Based on the MOLLE ULC, the Firearms Instructor load bearing vest features a bright red 1000 denier nylon outershell for high visibility on the shooting range. Features include front and back removable identification, adjustable shoulders, mesh inner lining, drag handle, badge grommets and internal cummerbund. The Firearms LBV also accommodates PPI concealable ballistic panels, and accepts front and back 10"x12" Level III and IV hard armor plates.
