

MOLLE Universal Load Carrier

The MOLLE ULC provides customizable equipment carrying via front and back MOLLE compatible webbing in a side-opening design. Additional features include front and back removable identification, adjustable shoulders, mesh inner lining, drag handle, badge grommets and internal cummerbund. The MOLLE ULC also accommodates PPI concealable ballistic panels. The MOLLE ULC accepts front and back 10"x12" Level III and IV hard armor plates.
